Name:Kirk Pearson

Office:US Congress

District:1

E-mail address:kirk4congress@gmail.com

Website:kirk4congress.com

Age:47

Occupation:General Contractor

Residence:Lake Point, Utah

Years at residence:19

Qualifications: I'm not a politician. I'm a contractor who builds homes. It's what I love to do. Most of us are not involved in politics. We spend our time trying to make a living for our families. We elect others to represent us and expect them to do the right thing. Well, I have tried for over 20 years to get our politicians to do the right thing for America and they aren't listening.

So, I was asked to run for congress by many of you who have seen me in this battle. This isn't something I want to do, but I believe we have the greatest country on earth, and I need to do my part to keep it that way- for my children and your children. It's time to end the corruption and send good people to Washington. I'm running to for Utah's 1st Congressional District.

So, If you want more of the same type of government you've been getting, then either of my opponents will suit you fine. But if you want someone who wont compromise their principles for political gain, I ask for your support. I am totally committed to restoring our Constitution and returning to the basic truths of our foundation.
